

NOTICE OF A PROPOSED CHANGE TO A RENEWABLE ENERGY PROJECT BY LOYALIST SOLAR LP

Project Name: Loyalist Solar Project

IESO Reference Number: L-006345-SPV-001-054

MOECC Reference Number: 7835-AJDRWP

Project Location: Within the Township of Stone Mills, County of Lennox and Addington, approximately 9 km north of the Town of Greater Napanee.

Dated at: The Township of Stone Mills this 9th day of November 2017

Loyalist Solar LP, a partnership between the Mohawks of the Bay of Quinte and BluEarth Renewables, is planning to engage in a renewable energy project, in respect of which, the issuance of a renewable energy approval (REA) is required. The Project is subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 16.0.1. This notice is being distributed to make the public aware of a proposed change to the project.

Project Description and Proposed Change:

Pursuant to the Act and Regulation, the facility, in respect of which this project was originally proposed to be engaged in, consisted of a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 54 MW.

A change is being proposed to the project.

The change consists of the reconfiguration of the project components within the Project location to accommodate the relocation of inverter stations, and the inclusion of additional noise mitigation. This change does not affect the name plate capacity of the project, or result in a change in noise above the 40dB limit. If approved with this change, this facility would remain at the maximum name plate capacity of 54 MW. The project location, taking the proposed change into account, is shown in the key map.

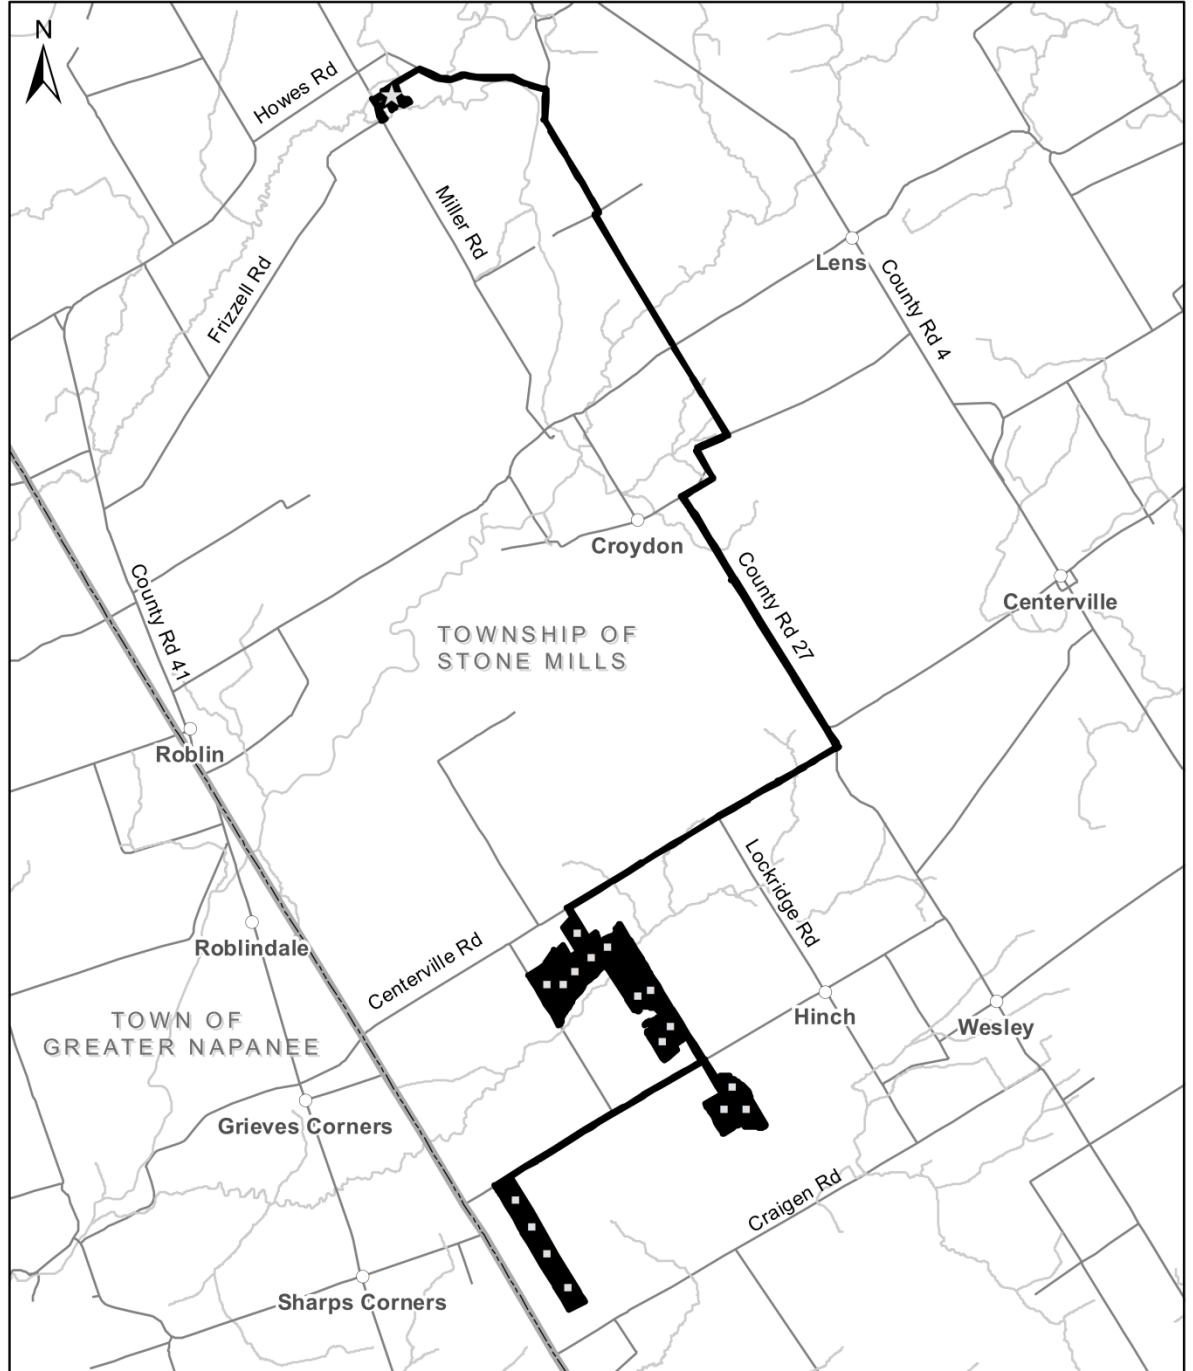

Documents for Public Inspection:

Loyalist Solar LP has updated the Noise Impact Assessment to document the change in inverter station locations and the additional noise mitigation. The updated Noise Impact Assessment and a Modification Report further describing the proposed changes will be available for public inspection on November 10, 2017 on proponent's website at:

<http://www.blueearth.ca/loyalist>. Written copies of the Project Description Report and supporting documents were last made available for public inspection as of December 1, 2016 on the project website as well as at the Township of Stone Mills Main Office (4504 County Road 4, Centerville) and Camden East Public Library (2832 County Rd. 1 East, Camden East).
