(Produced by ARA under licence using ArcGIS® software by Esri, © Esri; McGill University 2001)

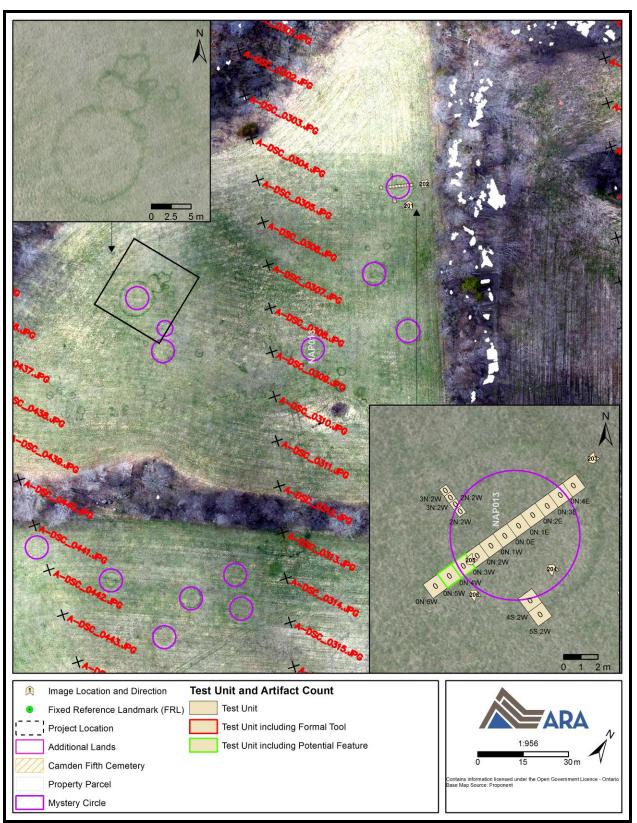

Map 5: Detail of Sheffield from J.H. Meacham & Co.'s Illustrated Historical Atlas of the Counties of Frontenac, Lennox and Addington, Ontario (1878), Showing the Study Area

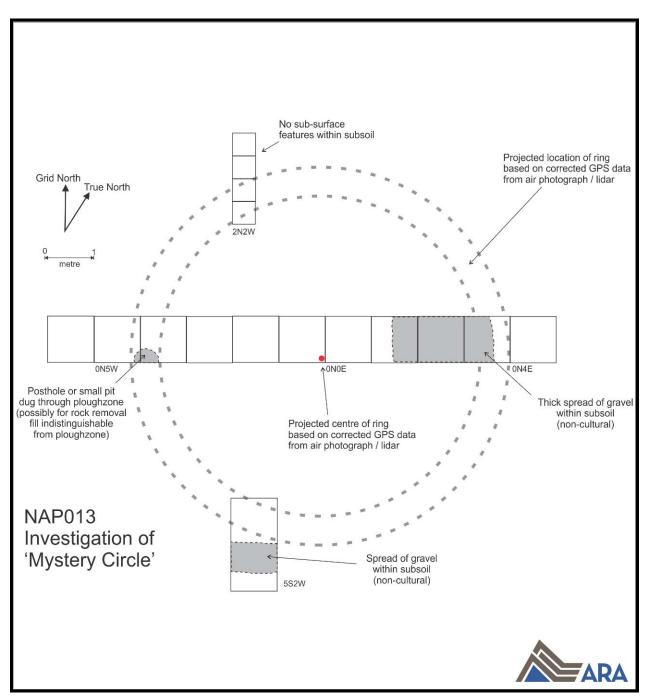

(Produced by ARA under licence using ArcGIS® software by Esri, © Esri; McGill University 2001)

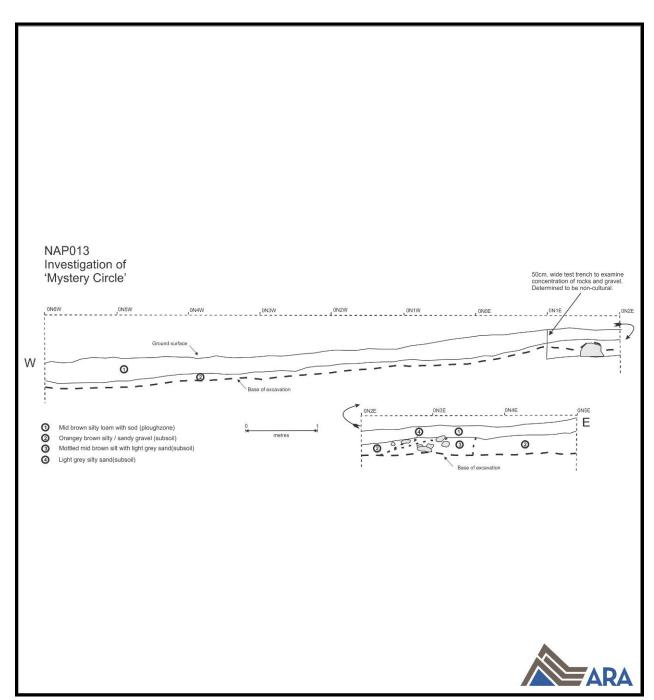

Map 6: Soil Types (Produced by ARA under licence using ArcGIS® software by Esri, © Esri; Gillespie et al. 1963:South Sheet)

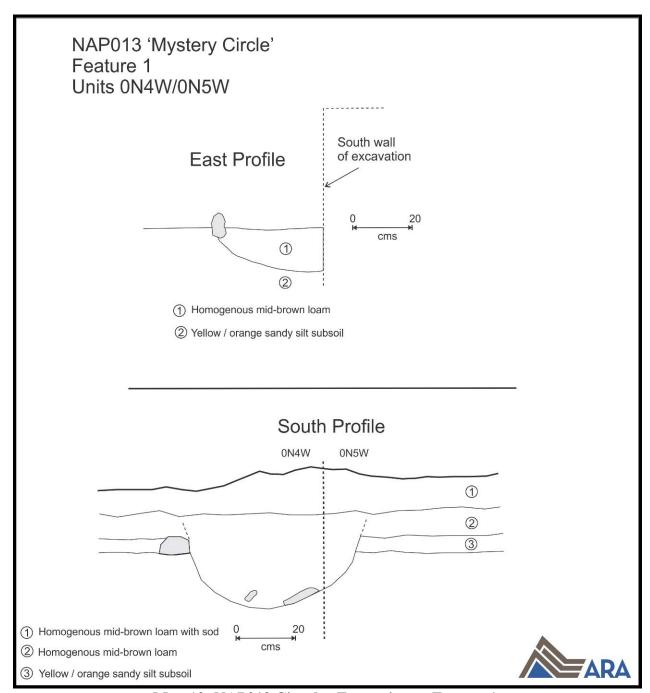

Map 7: NAP013 Circular Formations – Aerial Image (Produced by ARA under licence using ArcGIS® software by Esri, © Esri; Lidar Image from BluEarth)

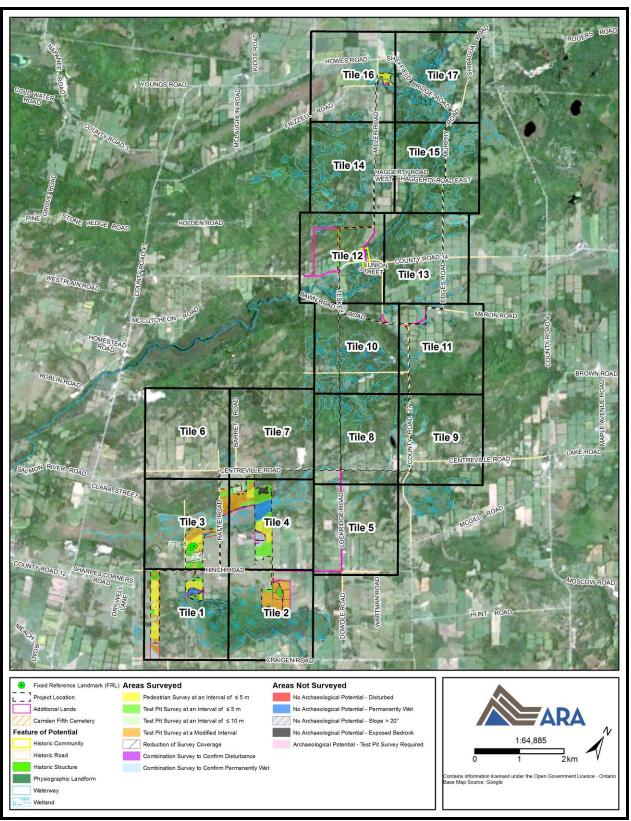

Map 8: NAP013 Circular Formations – Plan (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

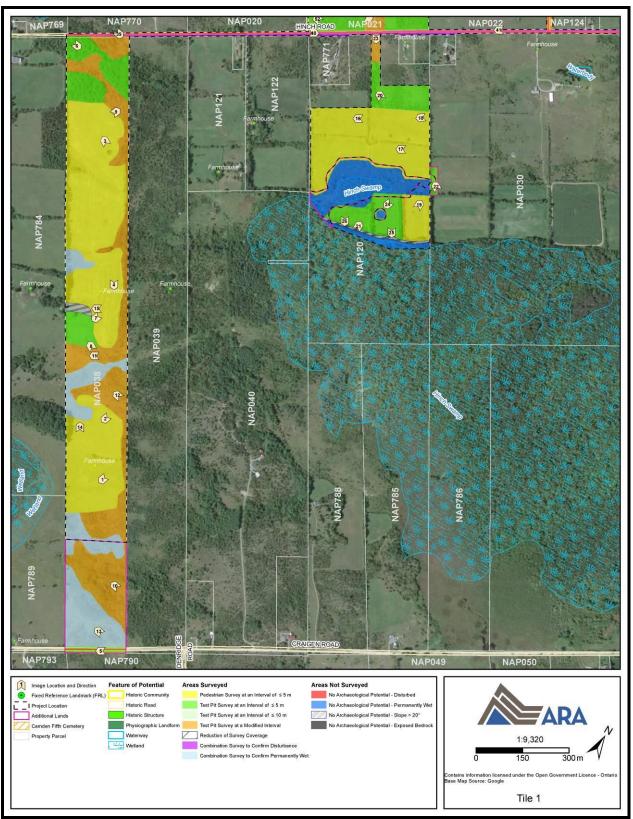

Map 9: NAP013 Circular Formations – Profile (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

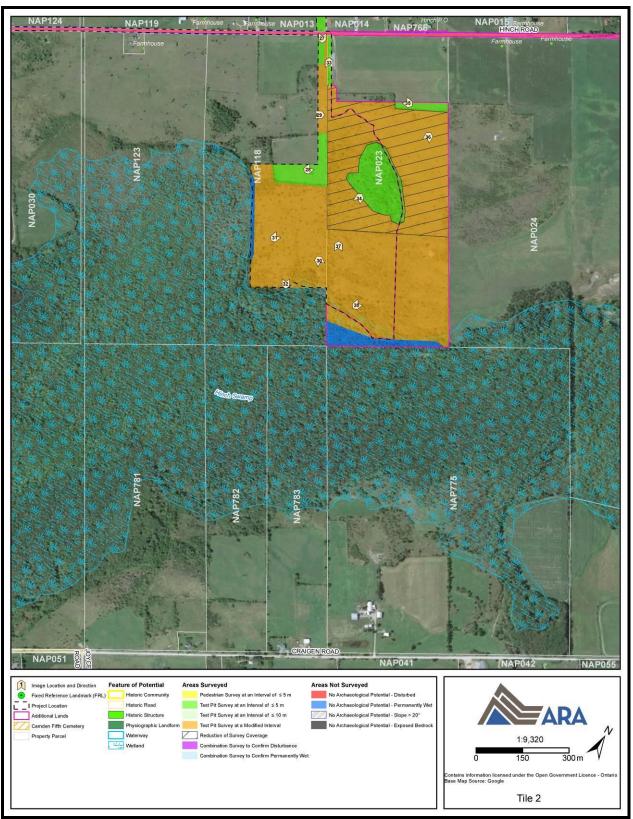

Map 10: NAP013 Circular Formations – Feature 1 (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

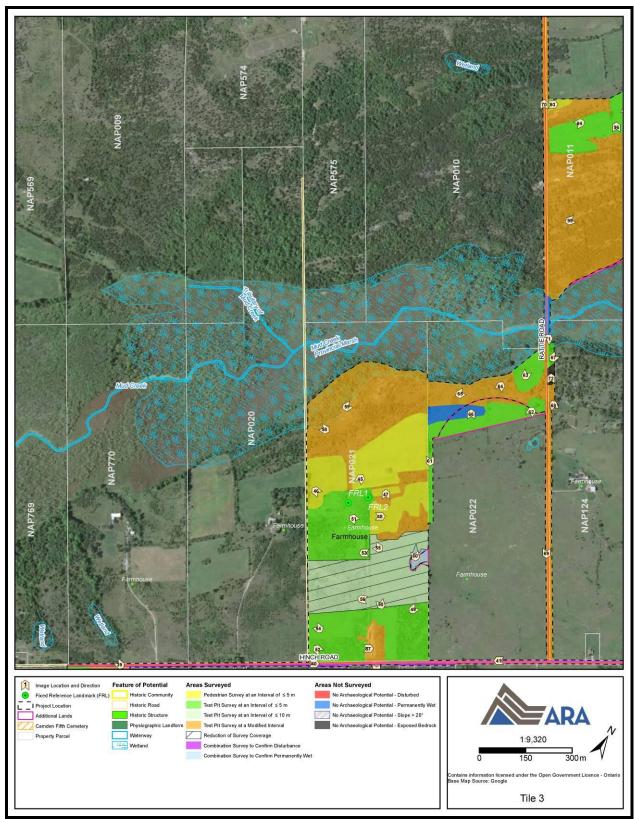

Map 11: Overview of Field Methods and Features of Potential (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

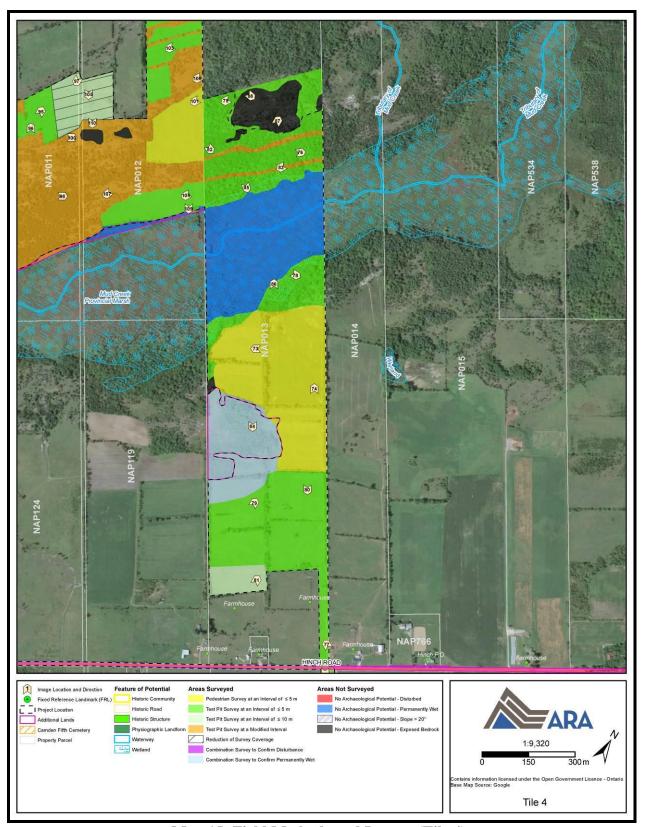

Map 12: Field Methods and Images (Tile 1) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

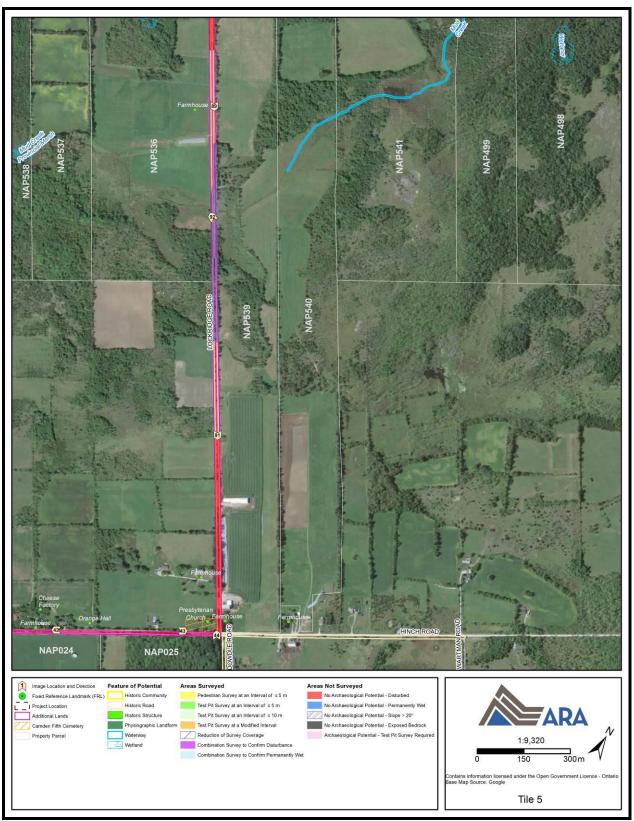

Map 13: Field Methods and Images (Tile 2) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

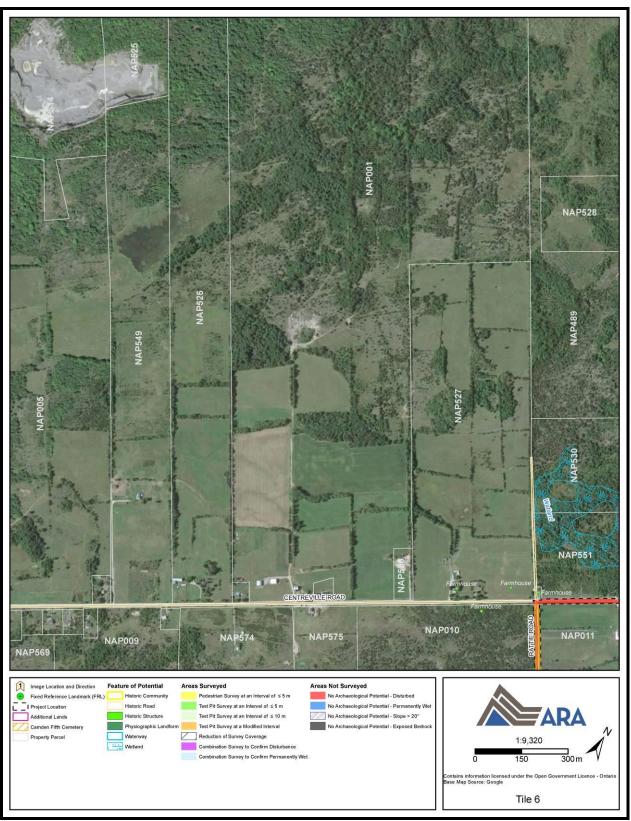

Map 14: Field Methods and Images (Tile 3) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

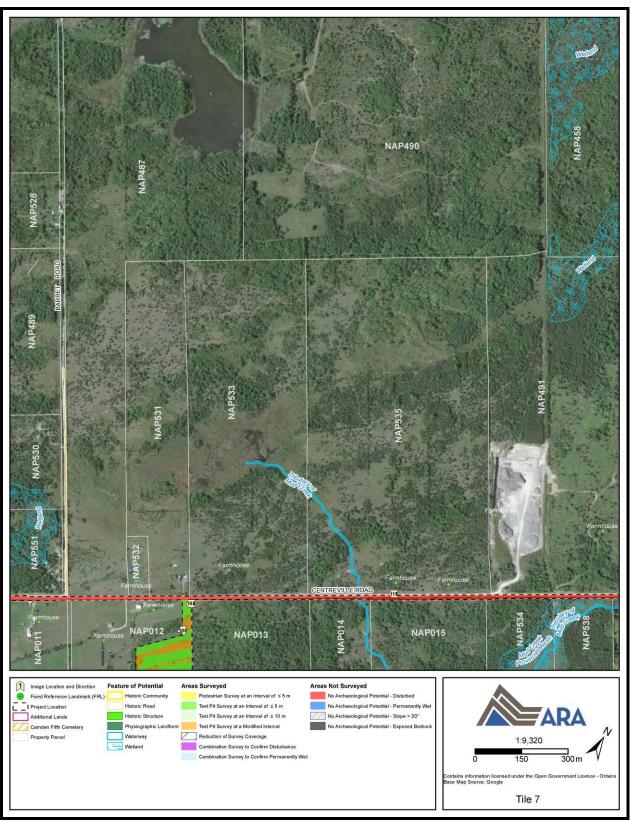

Map 15: Field Methods and Images (Tile 4) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

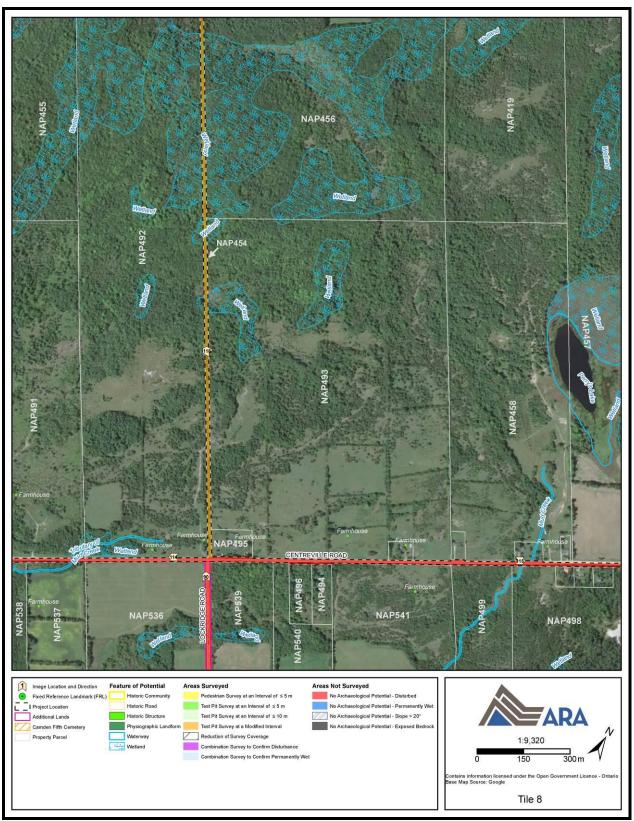

Map 16: Field Methods and Images (Tile 5) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

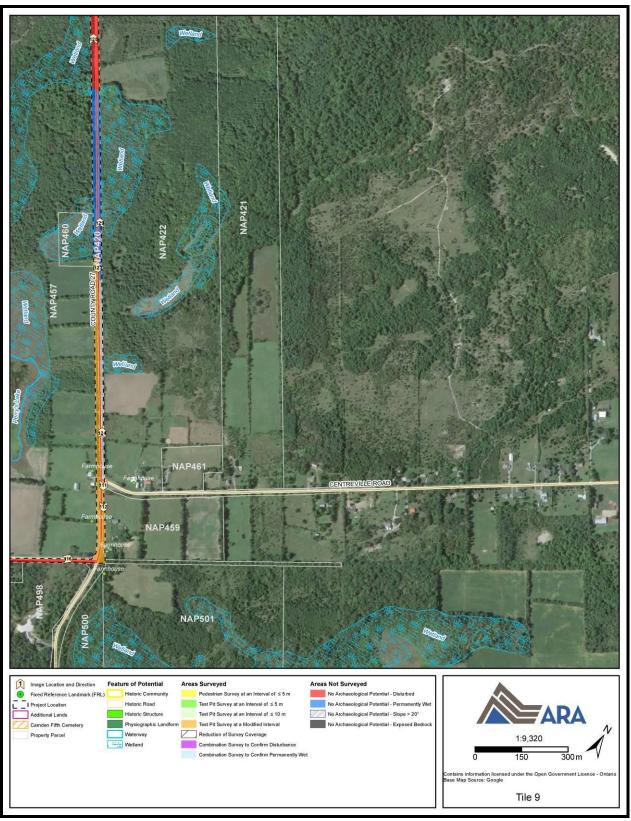

Map 17: Field Methods and Images (Tile 6) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

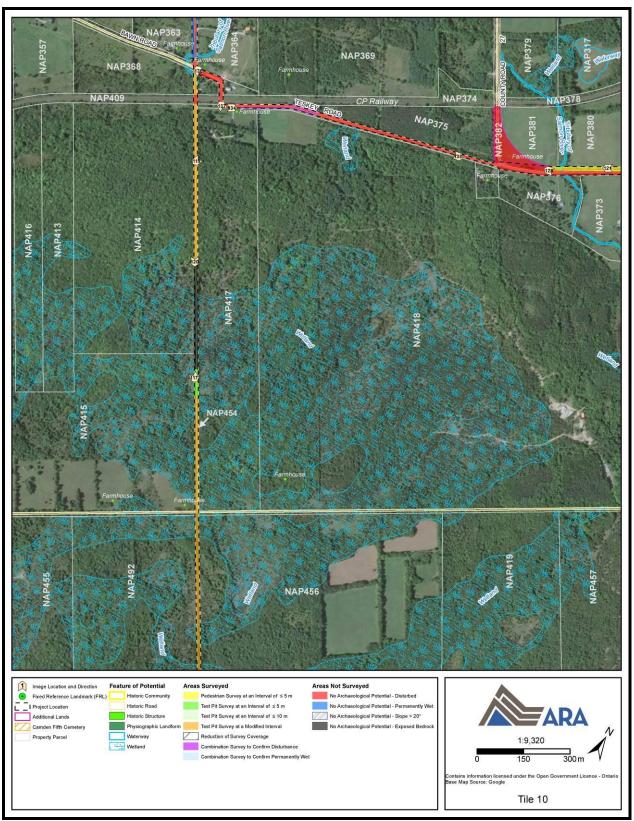

Map 18: Field Methods and Images (Tile 7) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

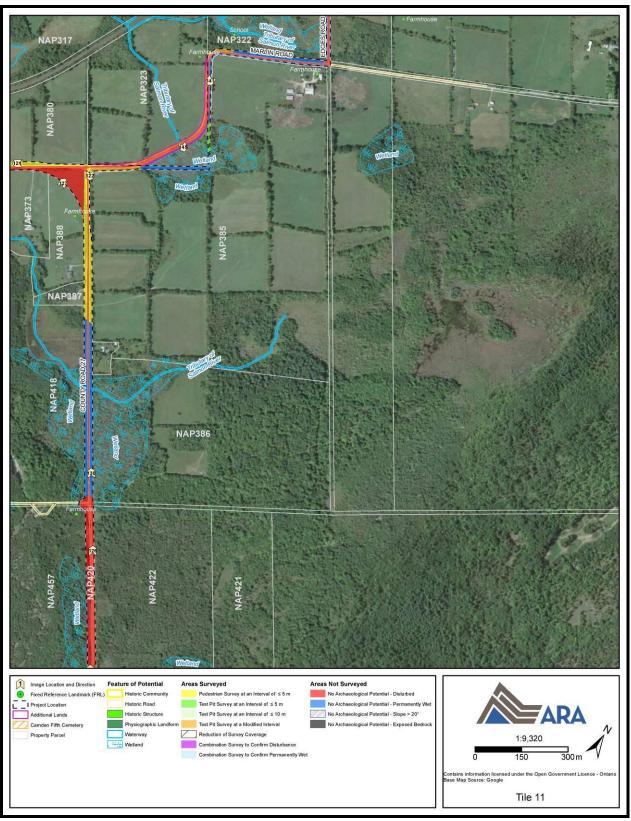

Map 19: Field Methods and Images (Tile 8) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

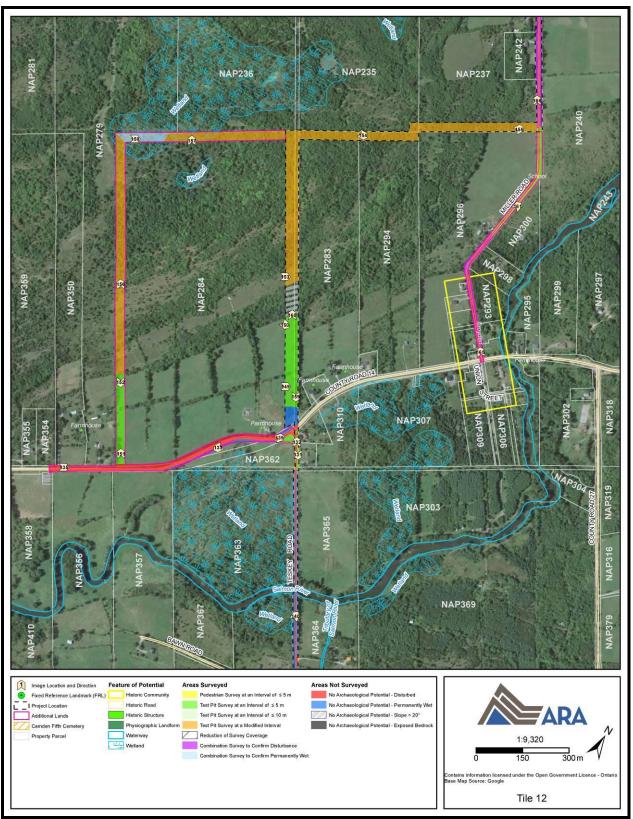

Map 20: Field Methods and Images (Tile 9) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

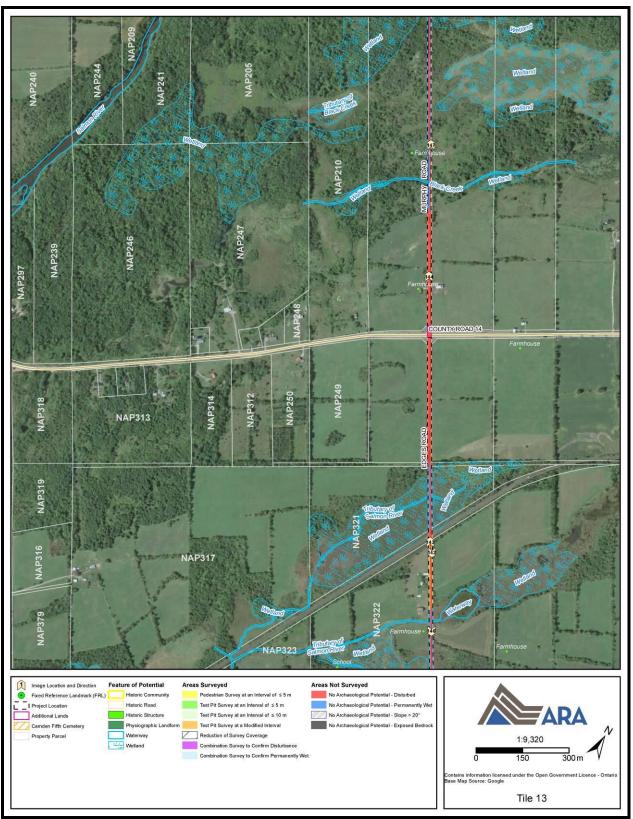

Map 21: Field Methods and Images (Tile 10) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

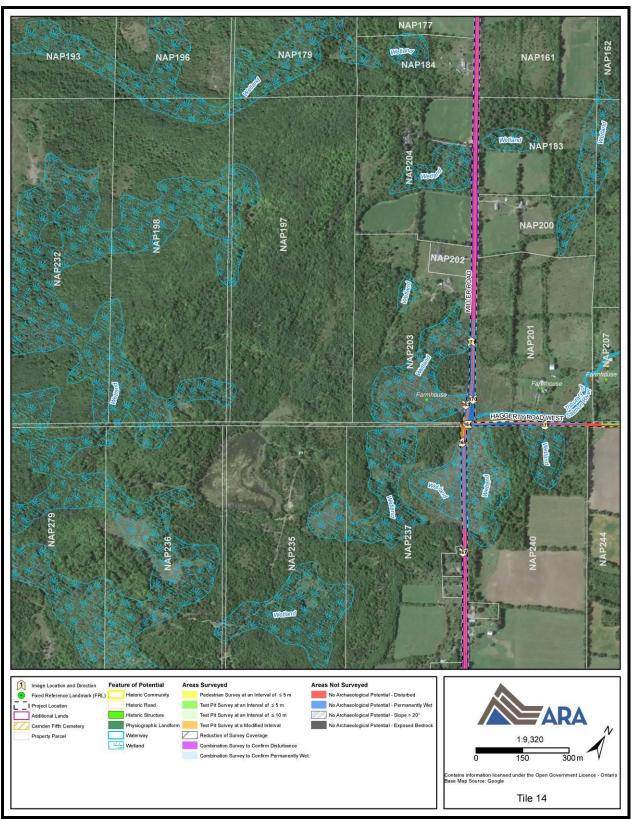

Map 22: Field Methods and Images (Tile 11) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

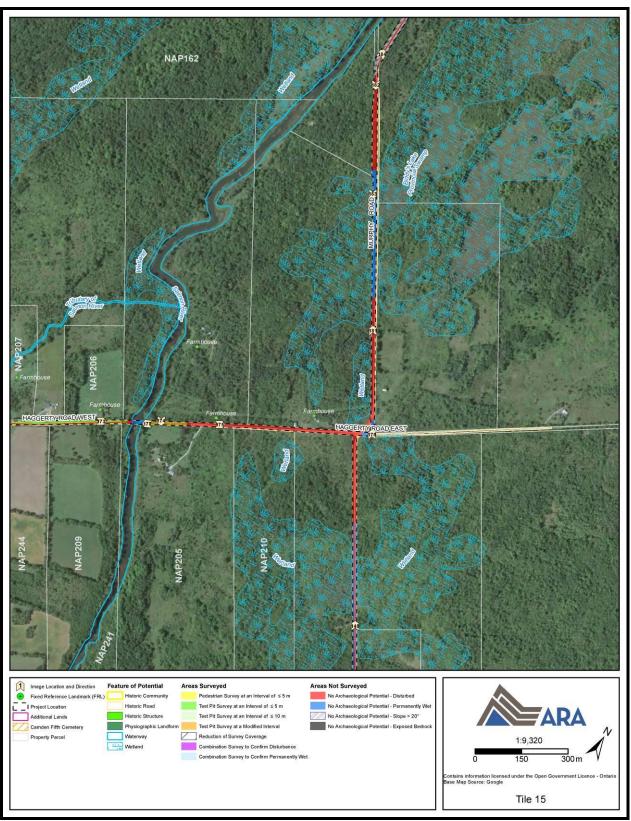

Map 23: Field Methods and Images (Tile 12) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

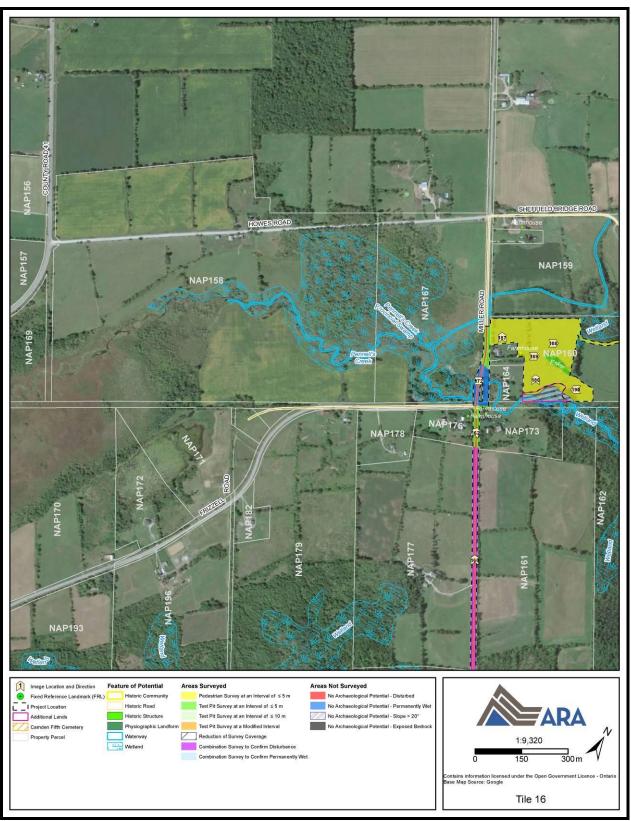

Map 24: Field Methods and Images (Tile 13) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

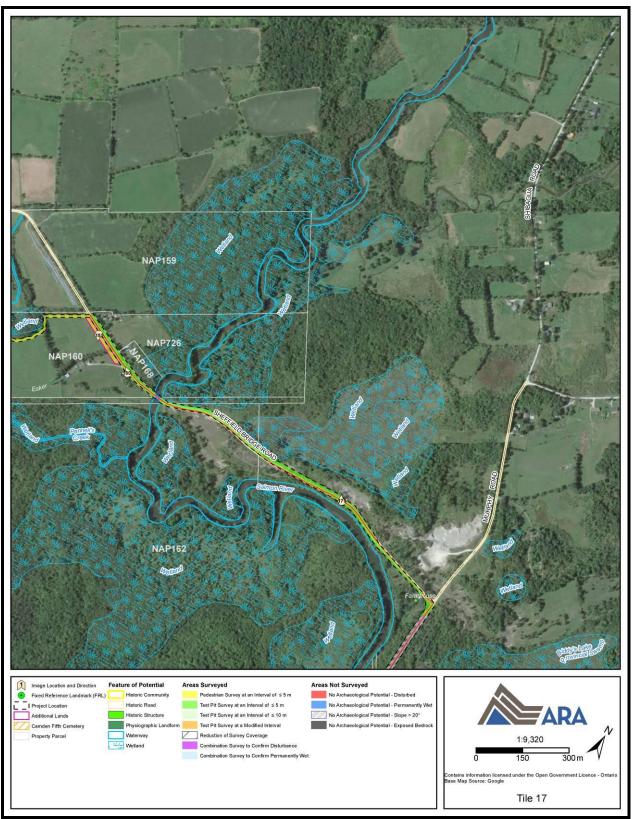

Map 25: Field Methods and Images (Tile 14) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

Map 26: Field Methods and Images (Tile 15) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

Map 27: Field Methods and Images (Tile 16) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)

Map 28: Field Methods and Images (Tile 17) (Produced by ARA under licence using ArcGIS® software by Esri, © Esri)
