

NOTICE OF POSTING TO THE ENVIRONMENTAL REGISTRY

Regarding a Proposal to Engage in a Renewable Energy Project by Nodin Kitagan Limited Partnership and Nodin Kitagan 2 Limited Partnership

Project Name: BOW LAKE WIND FARM

Project Location: Townships of Smilsky and Peever, District of Algoma

Dated At: the District of Algoma this the 13th of May, 2013

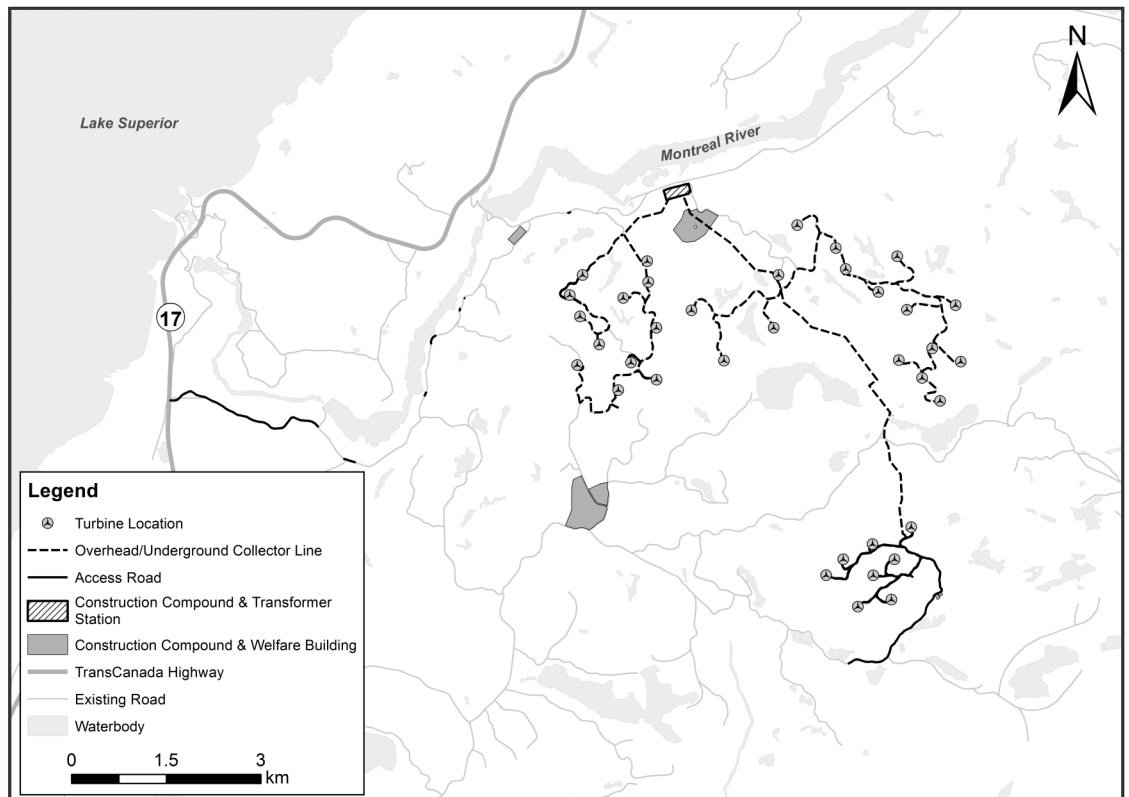

Nodin Kitagan Limited Partnership and Nodin Kitagan 2 Limited Partnership, by its General Partners Shongwish Nodin Kitagan GP Corp. and Shongwish Nodin Kitagan 2 GP Corp. (collectively "the Proponent") are proposing to develop the Bow Lake Wind Farm (the "Project"). The Proponents are planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval (REA) is required. The distribution of this Notice and the Project itself, are subject to the provisions of the Environmental Protection Act of Ontario (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with Section 15 of the Regulation following posting of the Project on the Environmental Registry.

Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 4 wind facility. If approved, this project would have a total maximum name plate capacity of 58.32 MW and include 36 wind turbines. The project location is described in the map below. The Proponent has prepared supporting documents in order to comply with the requirements of the Act and Regulation. Copies of the supporting documents have been made available for public inspection on the Project website (www.blueearthrenewables.com/bowlakewind).

Environmental Bill of Rights, 1993:

A proposal for a Renewable Energy Approval in respect of this renewable energy project has been posted on the Environmental Registry (www.ebr.gov.on.ca: Registry Number: 011-9127) referred to in Section 5 of the *Environmental Bill of Rights, 1993* and comments in respect of the proposal may be submitted to the Director. All comments received prior to June 27, 2013 will be considered as part of the decision-making process by the Ministry of the Environment if they are submitted in writing or electronically using the form provided in the Environmental Registry posting.
