

Two Rivers Wind Project Public Meeting

Two Rivers Wind LLC, a wholly owned subsidiary of BluEarth Renewables US LLC, is planning to develop a wind project across private ranchland in Carbon County, Wyoming. The proposed Two Rivers Wind Project would have a nameplate capacity of 280 MW and is located north of Highway 30 and Medicine Bow.

Public Meetings

We are inviting the public to attend one of our free open house informational meetings below to learn more about the Two Rivers Wind Project.
