Re: Application for a Conditional Use Permit for the Two Rivers Transmission Project in Carbon County, Wyoming

Dear Ms. Brugger,

We are pleased to submit the attached application to permit a Transmission Line in Carbon County, Wyoming. Our application package contains the following items:

- An application fee in the amount of \$3,100
- A completed Conditional Use Permit Application form for a commercial WECS
- An application package containing additional project detail, required plans, and technical studies (2 hardcopies, single-sided & tabbed)

Our application package also contains a checklist that provides cross references of our project information with the applicable county regulations. If you are unable to find any of the required information, please feel free to reach out to me directly so that we can quickly assist with your completeness review. I can be reached at (403) 609-5103 or glenn@bluearth.ca.

We are looking forward to working with the County and local communities to bring this generation project to fruition.

Warm regards,

Two Rivers Wind LLC
